

Resources for home based art

Hello parents,

Due to our extended spring break, I wanted to share some resources with you if you would like to do any art projects at home with your children. These are websites I use regularly to help plan my own lessons and are created by trusted art teachers. Please encourage your children to get creative during this extended time off! I would love to see anything your child creates during this time. If you have any questions about projects please feel free to reach out to me via email at emulligan@gsasouth.org

Thanks,
Ms. M
